

Commercial Refrigeration Rebate

Rebate Checklist

In order to ensure timely approval and issuance of your rebate, please complete the following steps. Incomplete applications may result in delayed payment.

- Read the application Terms and Conditions to determine if you are eligible for a rebate under this program
- Complete this application form
- Attach the following documentation:
 - Copies of all project invoices itemizing new equipment purchased including purchase date, size, type, make, model and total project cost
 - Manufacturer specification sheets
 - Verification of ENERGY STAR rating
- Submit the application and required documentation to your local utility

Terms & Conditions

The Power Forward commercial refrigeration rebate program is provided by Heartland Energy in collaboration with your local municipal utility. Incentives are provided to commercial customers for purchasing new, high-efficient equipment.

Power Forward offers incentives on a first-come, first-served basis. Submitting an application is not a guarantee of funding. Rebates will be paid by your local utility in a manner they deem appropriate. This program is subject to change or termination without notice. Please allow up to 90 days for the delivery of rebates.

Incentives will not be paid without the completion of the application form and proof of purchase and installation. Sales receipts or invoices itemizing the new equipment must accompany the application. ENERGY STAR verification, where indicated, must also be included.

Rebates are only available on new equipment as outlined in this application, purchased and applied for in the current calendar year. Applications must be submitted by December 31, 2024.

For a list of participating utilities, visit www.heartlandenergy.com or contact your local utility to verify participation.
