

Procedure for requesting permission by a group to possess and consume beer (only) at a designated City-owned park:

1. The group requesting beer consumption at a city-owned park must contact the Chief of Police prior to the requested date. The group must appoint a representative with one alternate to represent the group making the request.
2. The representative and the alternate must oversee the actions of the participating individuals throughout the entire duration of the requested function.
3. The representative and the alternate shall restrict the transportation of open containers of beer from the designated area.
4. The representative or the alternate shall, as soon as possible, contact the Police Department if criminal acts are committed or public safety is jeopardized as a result of the requested function. Complete cooperation shall also be given to the Police Department if contact is made by said police personnel.
5. The Chief of Police or his agent shall have the option at any time to terminate said function as public safety and/or other circumstances dictate.
6. A rejection of said request is totally at the discretion of the Public Safety Commissioner and the Chief of Police.
7. The group making said request shall obey all State laws, City ordinances, and all the guidelines set forth in this request.
8. The group making said request shall be responsible for cleaning and returning the use area to a normal state.
9. The group shall not extend the function beyond the hours of 2200 hours (10:00pm).
10. Said request is only in effect for the date and time listed below and shall not extend beyond that time.
11. Permits are not allowed for the Aquatic Center Park during the open season.
12. No bottles will be allowed; cans only.
