## **SEAL COATING STREETS TO BEGIN ON MONDAY, AUGUST 14, 2017**

The City of Madison and the Lake County Highway Department will begin seal coating various city streets on Monday, August 14th starting at 7:00a.m., weather permitting. Seal coating will take approximately 5 days to complete.

Sealcoating will begin in no particular order. City officials are asking residents to watch for the road crews and make sure vehicles have been moved. If a vehicle is parked on any street that crews are ready to seal coat, the vehicle will be towed to another location.

Residents living on the following streets are asked not to park on them until seal coating has been completed:

- **SE 2<sup>nd</sup> St. from Washington Ave. to Lincoln Ave.**
- **SE 1<sup>st</sup> St. from Egan Ave. to Garfield Ave.**
- **E. Center St. from Egan Ave. to Division Ave.**
- **NE 1<sup>st</sup> St. from Egan Ave. to Washington Ave.**
